

# Supported Housing Services

## Supported Housing

Oak Tree Care Services provides a flexible and adaptable accommodation and support service to individuals aged from 16 years old onwards at all levels, in both shared and self contained accommodation.

## Monitored Accommodation

Oak Tree Care Services provides monitored accommodation and support services for individuals aged 16 years old onwards, with a variety of needs. The support and accommodation services are usually provided on basic three levels, but are flexible and adaptable to meet the service users needs.

## Staffed Accommodation

This service is designed for Service Users assessed as requiring the highest level of need and is usually provided within 24 hour staffed accommodation. Each Service User usually receives a minimum of fourteen hours of 1:1 key work support each week.

## Bespoke Support Solutions

Oak Tree Care Services includes a diverse range of staff able to accommodate the needs of most people. Projects can be set up for individual clients or groups of clients and do not have to include accommodation.

## Floating Support

Oak Tree Care Services is not only an accommodation based support service and floating support is available and provided to eligible people, as required and agreed.
